SPECIAL LIST OF BARGAINS FOR 1910.

DRUGS, MEDICINES, TOILET SUNDRIES, RUBBER GOODS, TRUSSES, ELECTRIC BELTS, PERFUMES, SOAP, HOSPITAL AND SICK ROOM SUPPLIES AT PRICES 25 TO 50 PER CENT. LOWER THAN IS OUR LOCAL DRUGGISTS.

WE SELL EVERY ARTICLE CUT RATE.

Our stock was never before so complete, our shelves never so overloaded; our increase in business over the preceding year proves we are still growing a larger CUT-RATE DRUG AND MAIL ORDER HOUSE than ever before. Under the new management we are striving to make 1910 the banner year. Compare our prices with the prices charged by your local druggist then figure the amount you save by purchasing direct from us. We buy direct from manufacturers; we save all the middleman's profits; we give this profit to our customers.

Our facilities to cope with a larger business are better than ever before. Our staff of mail order clerks are alert and competent, filling your orders in all instances as satisfactory as were you to shop in person, guaranteeing customers from the remotest points a more convenient and money-saving service than their home druggists.

SHIPPING INSTRUCTIONS.

In making out your orders always use our Order Blanks if convenient. It saves mistakes; sign your name and address in full, state if there is an express or freight office in your town, or name your nearest office, state how you want the goods to be shipped, by freight, express or mail. Liquid medicine cannot be sent by mail. The cheapest way to order is to get your neighbors to join in with you and make the order as large as possible. On all orders to the amount of Two Dollars or over we put in absolutely free sufficient goods to cover express or freight charges, so you get your orders delivered to your town free of charges. Send your orders in as early as possible, as these prices only hold good for a limited term.

THE GREATEST INVENTION OF THE AGE.

DR. LORENZ'S ELECTRO BODY BATTERY.

A Twentieth Century Cure Without the Use of Medicine.

It surpasses in power, durability and convenience to use any body appliance that has ever been offered for the alleviation of weakness and suffering. It is the only battery that will give electricity direct to the nerve centres for hours at a time without the use of acids or solution of any kind for charging. Its current is even and continuous, flowing into the body without interruption as long as the battery is worn.

Dr. Lorenz's Electric Body Battery is an appliance by which Electricity may be conveyed to the human system in great volume and with the same ease and comfort with which nature gives the body sleep. It generates in actual volts and amperes, ten times more power than is given by the strongest vinegar belt, thereby producing a greater electrifying influence upon the nerves adding more motive energy to the bodily organs and infusing a greater quantity of electric power.

Electricity renews human vitality however and wherever lost. It establishes a vigorous action of the part of the body that is ailing, and when the cause of the trouble—the absence of sufficient vitality has been removed, the cure is complete.

The special feature in Dr. Lorenz's Electro Body Battery, which will be appreciated by all those who have already used electricity, is that it does away with the inconvenience and nasty work of charging. The Battery can be placed about the waist without loss of time, the current turned on as strong as the patient likes it. Upon arising in the morning, the appliance is removed and put away and is ready to give out the same life force again the following night without any preparation or care whatever.

We have secured the Canadian agency for Dr. Lorenz's Body Appliance. write us for booklet and prices. We sell the appliance on monthly payments.
